BRITNEY AMBER

LET ME SHOW YOU PINK

The walls in my room were so bland that I went and bought a bunch of pink paint to liven it up. Unfortunately, I forgot the painter's tape, so I called Nick to come help me. A half hour later he showed up and we taped off the wall. But first I'd have to work on his tool for an hour or so. He dropped his pants and I dropped to my knees.

Working late can have some very exciting fringe benefits

The Seduction of Juicy Lucy

Artie Dowling rapped on the door to my office with his briefcase. "You dumb fucking sucker," he sneered. Looking up from my desk, I peered over the rim of the glasses I habitually let slip down my nose. "You say something, Artie?"

"I said you're a dumb fucking sucker." He looked at his watch. "It's five o'clock and you're just getting started on those drawings."

"Hoffmeyer building. Neat project." I dropped my pencil on the desk and leaned back in my chair.

"Neat project shit. You got conned into working on it and you know it. Old man Hoffmeyer's the biggest prick of a client this firm's ever had. You'll come up with a perfect fucking design and he'll piss on it."

"Such is life."

Artie laughed. "Sure, be an asshole. You've just got a big enough ego that you think Hoffmeyer will like your work. Fat fucking chance."

"It's two minutes after five, Artie. You'd better hustle or you'll miss your train, and you know if you're half an hour late getting home your wife will be screwing with your next door neighbor the semi-pro football player."

"Have the last little chuckle." Artie rapped on my door again and went off down the hall. Halfway to the elevator I heard him say, "Sucker."

Going back to work on the drawing spread across my desk, I knew there was a chance that Artie was right. I had been tricked into working on this project, but I'd known how stacked the cards were as they'd been dealt.

Artie was also right about my ego—it tended to overinflate; but my ego wasn't into making Hoffmeyer happy with the design of his new office building, my ego was putting me to the test: seduce our new hard-assed department head, Lucy Shriver.

And Lucy worked late.

Lucy Shriver had long lean legs, but she covered them with equally long skirts. My only hint as to how perfect her legs were came on the day she'd dressed a bit out of character and worn a skirt with a liberal slit up the side. I'd caught her fiddling with the strap of her high-heeled shoes, and the way she'd propped her foot on her chair shot a full thigh into view.

I think I would have sacrificed a week's pay if she'd held that pose and let me rub my cock against her leg until I'd shot a heaving wad of semen all over the side of her ass.

I waited until five-fifteen, by which time our entire firm's "dedicated" workers were long gone, before picking up the phone and pushing the intercom button that would connect me with Lucy's office.

"Yes?" she answered, her tone showing that she wondered who else had stayed late.

"Yeah, listen, I'm working on this Hoffmeyer—"

"Tom? Is that you?"

"Last time I looked. Anyway, like I was saying—"

"What are you doing here? Do you know it's after five?"

"Five-fifteen. Whoops make that five-seventeen. Time flies when you're having fun working on the Hoffmeyer draw—"

"Hoffmeyer can wait. Why don't you go ahead home?"

This was odd, I thought, a boss not wanting her employee to work late. After all, we were on straight salary, there was no overtime.

"Really, Tom," she insisted, "why don't you go home? It's been a long week."

Sure, I thought, but it's only Wednesday. Something was up.

I agreed to pack it in for the day and hung up. But I didn't go home. All of the lines were not straight in architectville and I wanted to know what it was about.

The individual offices in our building circle the conference room. Figuring the best place to be was in the middle, I took a seat in the conference room and tried to listen through the walls.

Ten quiet minutes later, the front door to our office suite opened. The quick click of high heels over the tiled hall followed. A few hushed words, then someone touched the handle to the conference room door.

Quick and quiet as a darting puma, I sprang from my chair and went into the closet, shutting myself into the cramped darkness just as Lucy and whoever she'd been whispering to come in.

"God," I heard Lucy gasp, "I've been thinking about this all day. Your cock is so hard. Get it out. I want to feel it."

Down came a zipper. The sound sent horny shivers up my spine.

A slap, flesh against flesh. "Oh yeah," Lucy sighed. "It's so heavy. Look at the way it bounces around when I hit it" Again the smacking sound.

Who the hell was she with? Chet, the junior partner? George? Christ no, not George. Hal, the senior partner? Yeah, maybe Hal. He was rocks hard horny enough. But then, who was I to talk?

Lucy was moaning again. "Your balls. Your balls! They feel so good. Come on. Give me your cock. In my mouth!"

Oh Lucy, I thought with a smile. You're getting me hard in my pants. The sounds of Lucy's passion became muffled as I could picture her mouth being stuffed with somebody's cock. But whose? I wished the guy would fucking say something. He started moaning. A deep moan. Who the hell was it?

I couldn't stand the suspense. Hoping the two lovers were distracted enough not to notice me opening the door, I quietly turned the handle and edged it slightly open.

And there was Lucy, her skirt up above her knees, those gorgeous calf muscles bared, as she knelt on the carpeted floor with her hands and mouth eagerly, hungrily working over the long hard shaft of Pete. Pete! The fucking errand boy! His hands were in Lucy's hair, pulling her blonde mane out of its braided twist that usually kept her hair off her neck. He pulled her face tightly into his crotch, smothering Lucy with the curl of his pubic hair as Lucy had all of Pete's cock down her throat.

I could hear her mouth sucking him, creating a pressure between her cheeks that was pumping steadily on his hard-on. Each time Lucy swallowed, I felt my cock

jump in my pants.

Pete, you son of a bitch.

"I'm coming!" Pete gasped, his hands shifting to the side of Lucy's face, his fingers spread.

Lucy withdrew her mouth from his cock. "Yes. Come on. Come!" As she spoke, she kept her lips parted widely and her opened mouth remained in line with Pete's jumping cock. Her fingers gently caressed his scrotum and the underside of his cock, then, when his first wad of cum fired through the air and landed in her mouth, Lucy grabbed his cock tensely in her hand and jerked him through his climax, aiming all of his semen into her mouth.

Lucy swallowed loudly when Pete's cock was growing flaccid in her hand. He was spent.

She gasped for breath, leaning back against the conference table. "You've got a beautiful cock," she told him as she panted.

"One day you'll let me fuck you?" Pete asked the question like an uncoordinated kid asking his high school coach if he could start in the big game.

Lucy stood, adjusting her dress. Her back was now to me, but I could hear her smiling. "You just keep coming back, right?"

Pete forced an uncomfortable laugh and pretended to be in control. "Yeah."

Lucy nodded. Pete left.

I exited out of the closet. "I bet that's the wildest thing that's ever happened in this conference room."

"Thomas!?" Lucy nearly jumped out of her shoes. "What are you—?"

I pointed to the closet. "I was doing some research for the Hoffmeyer building. I hear he likes good closets." I smiled.

"I don't know what you think just went on…" She let her sentence go, because it had nowhere to go.

"Look," I said, sitting atop the far end of the long conference table, "I don't care if you get off on blowing the errand boy. And I'm not into spreading gossip. After all, who would believe me?"

"That's right," Lucy replied nervously. 'Who would believe you?"

"I wouldn't even believe me." She looked at me questioningly. "So what happens now?"

"Take you to dinner?"

We had supper in the middle of the dinner rush at a nice though overpriced restaurant in town. During our meal, I kept the conversation away from what I'd seen. After dinner, however, Lucy brought up the subject.

We were riding around, heading no place in particular, and I had the top down on my Fiat and the warm summer night air rushed nicely around our heads.

"I like cock," Lucy said it simply, as though ordering dessert.

I couldn't think of an appropriate reply.

Lucy reached across the console and scratched my thigh with her painted fingernails. "I'd like to see your cock."

Trying like hell to maintain my composure, I downshifted into third, hit a westbound road, and said, "I know just the place."

"Nice," Lucy said getting out of the car.

It was a dead end road, dark and secluded, a once well-traveled stretch until a bad storm had wiped out the small bridge nearby that led into the next county. I led the way into a small section of tall oak trees. Crickets and frogs creaked noisily down by the river.

Lucy left her shoes in the car and walked barefoot behind me. When I turned to face her, my hand at my zipper, Lucy said. "I might get my dress dirty."

"You might get naked," I suggested.

She gave me a look out of the corner of her eye—a look I would have never seen at work—and then she reached behind her neck and unzipped her dress; stepping cleanly out of it, careful not to dirty the material with any bits of earth stuck to her bare feet.

Lucy unsnapped her bra, revealing her absolutely gorgeous, firm, high-set breasts. Her small nipples were puckered tightly and she ran her fingertips across them. "You like the way I look?"

I nodded, then began staring at her lips and groaned.

Lucy understood and grinned. She threw her blonde hair behind her neck and knelt down on the dirt between my legs. Her fingers helped mine to lower my zipper, and then she tugged the waist of my pants down my ass, down my legs, until they were crumpled at my feet. She took down my underpants in a single motion, and hotly grabbed my stiff cock. "Mmph," she moaned, pressing the side of her face against my crotch. "A good . . . hard ... hot cock." She pumped me drily in her hand. "You want to come? You want to shoot your load? You want to shoot it in my mouth?"

I was losing it. She was so in control, as though she possessed my cock. "Yeah," I replied quietly. Then, more loudly, "YEAH!"

She sank her mouth down over my cock like a hot rush of lava. Her saliva swirled thickly in her mouth, rushing over my cock, getting it lubricated with her oral juices.

Gripping the base of my cock with her saliva slickened hand, she pumped her mouth up and down my cockhead, popping my bulbous tip in and out of her lips. Her hand began following the rhythm of her mouth, stroking up and down. Each time her mouth came back down over my shaft, more of my length went over her lips.

My cock felt heavier. I could feel myself beginning to throb between her lips. Lucy must have sensed it as well, for her lips wrapped even more tightly around my prick. Her fingers gripped more firmly. And her stroking was now very deliberate, full, thick, steady and sure, like a plunging jackhammer sucking hotly.

"God, yes!" I moaned. My knees felt weak. I had to force my eyes to stay open so that I could watch her mouth firing down over me. "I'm ready. Now. Make me come."

Keeping her hand pumping my shaft, Lucy took her mouth an inch away from my thick cockhead and eased her tongue slightly over her lower lip and took each heaving wad from my climaxing shaft into her mouth, swallowing once with her mouth still open, then taking the final squirts of my cum, licking her lips with her tongue, and swallowing again.

I wrapped my arms around her, when she stood, for support. "My God, you're good at that."

Lucy spread her legs and reached down for my spent cock and rubbed it into the wet folds of her pussy. "I want more of you," she whispered as though the night might hear. "Take me home and fuck me. And promise you'll never tell anyone. I won't have my authority at work undermined . . . but I've got to have you fuck me."

The next morning, at work, Artie found me bleary-eyed at my desk. With a triumphant smile, he said, "Stayed up late with the Hoffmeyer drawings, eh sucker?"

I managed to return half a smile. We hadn't fallen asleep till three.

Artie whistled his way down the hall to his office. I could hear him interrupt his whistling long enough to mutter, "Sucker, sucker, sucker."

I wondered if I should correct him. After last night, suckee was more appropriate.

THREE THE EASY WAY

Yes, three's company. We're all roomies and just moved into a huge apartment building downtown. Last weekend we got fined for playing our music way too loud. Then we got fined again a week later for "weird" noises coming out of our pad. It was us three getting a little too frisky. It's hard to put your moans and groans on mute.

MANY A HAPPY DAY ENDS THIS WAY

Her horny hubby rented a house with a very special mirror in the bedroom

mirror, mirror

My husband is a pervert. He rented a two-bedroom house on a lake for the summer. Before we even unpacked, he insisted on showing me the reason he had rented it: a one-way mirror between the closet of one room and the wall of the other.

I didn't see what a big deal it was, since only the two of us would stay there. We took the room with the see-through side. Since it was in the closet, it didn't really bother me.

I had all but forgotten about the mirror when our friend Tina arrived to spend a few days. I was really glad to have her for company. My husband worked in the city and often didn't get home until late.

The very first morning, Tina and I went for a swim. We played like a couple of kids, splashing, and dunking, until we were both exhausted.

After a quick sandwich, we headed for our rooms to nap. I opened the closet to get a robe and was attracted by a flicker of light from the back of the closet.

It was amazing how well the mirror worked. I saw Tina begin stripping.

She was completely naked in just a few seconds. I noticed that she was tan all over. I smiled as I pictured her nude sunbathing.

Actually, I enjoyed looking at her big, beautiful tits. Somehow, being able to watch her without her knowing it was exciting. I felt myself getting wet between my legs.

I was surprised to see her lay down on the bed, still naked, and spread her legs. I found myself watching her masturbate. It was the first time I'd seen another woman do it. She was in no hurry. First she teased the lips of her pussy with only the tips of her fingers. She frequently put the hand to her mouth to taste her own juice. I was ashamed of myself for watching, but I couldn't stop.

I noticed that her big pink nipples were hard and she never even touched them. When she reached over on the night table and took a hand mirror and put it between her legs, I felt my pussy quiver.

That was something I'd never thought of, watching yourself masturbate. I was hot. I wanted some dick. But, it was hours until my husband would be home.

I don't know where I got the courage, but a minute later I was tapping on Tina's door with a stack of towels in my hand.

"Are you decent?" I shouted. "I forgot to give you your linen."

"Sure," she answered. "Come on in."

I really wasn't prepared for what I saw next. Tina had made no effort to dress. She was exactly like she had been when I'd watched her in the mirror. She was still masturbating.

"I can come back," I blushed and stammered.

"No," she purred, "It's OK. Just us girls." Her fingers kept stroking her pussy as she spoke. My eyes were locked between her open legs.

"I-I don't think I should be watching you . . . do that," I mumbled.

"Then join me," she blurted." It might make you more comfortable." She patted the bed beside her. Then went right back to fingering her wet snatch.

Almost in a trance, I took off my robe and lay down beside her. Our hips touched. Her body was very hot. The bed shook as her fingers moved faster and faster in and-out of her steaming cunt.

My entire body quivered the first time my hand touched my excited clitoris. Watching Tina finger-fuck herself had me on the verge of an incredible orgasm. I shoved a finger deep into my twitching hole and screamed as the waves of pleasure shook my entire body. Her mouth closed over my nipple. She sucked gently on my tit and soon had me coming in bursts.

When I recovered, Tina was looking down on me. Her head propped on her hand. She had a strange smile on her face. "Welcome back to earth," she chuckled. "I've never seen anyone come so fast and so hard," she teased, as her lips again kissed my still sensitive nipple. "I'll bet Roy loves that hair-trigger pussy of yours."

I'm sure I blushed like crazy. "He doesn't know," I muttered. "He only fucks me in the morning and usually finishes before I'm half awake. All I get is a mess to clean up," I confessed. I couldn't believe I'd just babbled a secret I'd never told another human being.

She seemed truly sympathetic. Yet, there was a strange gleam in her eyes. She assured me that Roy would never know about that afternoon or my admission.

The rest of that day was pretty normal. We ate supper, played some cards, and went to bed early. As usual, Roy didn't even try to have sex with me.

But, the next morning, I woke up just as his cock began to throb and squirt the load of hot cum into my sleeping pussy. He finished quickly and withdrew. It left me with that familiar unsatisfied tingle.

Roy was up and dressed before I could manage to get my eyes open. Tina leaned her head in the door of my bedroom and whispered, "Did he do it?"

I nodded, and started to get up. "Wait," she whispered. "Don't move. I'll get Roy off to work. Wait for me."

I didn't really know what she was up to. But, the chance for a few minutes of extra sleep was welcome. I rolled over and fell back to sleep.

I woke up with a new feeling between my legs. There was some thing wet and warm wiggling against the lips of my pussy. Much softer than Roy's dick.

I glanced down. I couldn't believe my eyes. Tina had her face between my legs and was lapping my hot box. It was like nothing I'd ever experienced. Her movements were soft yet urgent. She was lapping up my hubby's cum as it dripped from my pussy like it was sweet as honey.

I had what can only be described as one long orgasm. It was like floating on a cloud. She made love to my quivering cunt. Finally, she crawled up my exhausted body and kissed me. Her mouth tasted of my juice and my husband's cum. It was delicious.

"Roy still tastes as great as ever," she moaned. "It's been a long time."

"You mean… you've... "I stuttered, sitting straight up in bed.

"Sucked Roy's cock?" she smiled. "Of course," she admitted. "Every day for almost three years. He loves blowjobs. Don't you

I glanced down. I couldn't believe my eyes. Tina had her face between my legs and was lapping my hot box. It was like nothing I'd ever experienced.

do it for him?" she asked.

"Well ... he never asked."

That's when she suggested a plan that I still can't believe I agreed to. But, I did. It started that evening, after supper. She asked Roy to help her fix a squeak in her bed. I was washing the dishes.

As soon as they had time to get to her room, I raced upstairs and rushed into the closet. My pussy was already wet, from the thought of the show I was going to get.

Tina didn't disappoint me. They had been in the room less than three minutes and she already had his dick out of his pants and was holding it in her hand.

couldn't hear what she was saying, but it was easy enough to see that she was telling him what she was going to do to him. His prick grew bigger by the minute. My hand was in my panties, massaging my already swollen clit.

Tina is a real ham. She took her time. Roy was ready for her mouth, but she held him off. Made him undress her and even kiss her tits. He kept trying to push her head down toward his dangling cock.

She even made him lick her pussy. She had him in complete control. And all because of a blowjob. I took off the rest of my clothes and raced into the room, just as planned. My husband turned white.

He mumbled something about it not being what it seemed. His prick shriveled before my eyes. He was scared. He had no idea that I was part of the plan.

"I figured that Tina could use some help," I offered, as I reached out and cupped his limp cock and balls in my hand. I leaned over and kissed the tip. It sprang back to full stand.

"The mirror!" he grinned. "You've been watching this whole time."

ina took my hand and led me to the bed. She arranged our bodies side by side and then told Roy to eat our pussies. She told him that if he was a good boy, we would suck him off together. His eyes really lit up at the word together.

ood ol' Roy really got down to business. I didn't know he had it in him. He licked us like a pro. Once he had me coming, he'd keep me going with his finger while he took Tina over.

When we could take no more, we pulled him up on the bed and knelt on either side of him. Tina took his cockhead in her mouth, while I licked and kissed the shaft of his twitching prick. He moaned, groaned, wiggled, and humped his hips at our busy mouths. We swapped his excited cock back and forth like a lollipop. He begged us to finish him off. But, still we teased. When he could take no more, his body stiffened. He lifted his ass off of the bed and growled. Tina caught the first spurt of my hubby's cum on her tongue.

I pushed her out of the way because I wanted my share and locked my mouth over my husband's twitching cock and drank every drop. Tina tried to push me out of the way, but I held on. By the time I let his prick go, it was a limp noodle. Tina kissed me for what little taste there was left of Roy's sweet jism.

She didn't have to worry for long. There was plenty more where that came from, as Roy proved that next week. Our sex life is once again fantastic. And all I had to do is promise him a blowjob. As for me, promises made, promises kept.

She had him in complete control. And all because of a blowjob. I took off the rest of my clothes and raced into the room, just as planned.
